Dear President Rose:

I am happy to officially notify you that the following entry received second prize in the 2002 IAFF Media Awards Contest:

- www.iaff1171-org producer Gary Niblock received second prize for the IAFF Affiliate Web Site category. A check for \$300 and a certificate will be sent separately.

We are mailing formal notification of the decisions to the winner mentioned above. We suggest you contact him and present the award in a formal ceremony.

I appreciate your efforts in making the risks and dangers that professional fire fighters and paramedics face every day known to your community, and in creating a very positive image of our brothers and sisters. I thank you for actively participating in the 2002 IAFF Media Awards Contest, and look forward to other entries from your local in the future.

Fraternally,
